

Redmine - Defect #15613

'Add watchers' within the new issue reveals all the accounts

2013-12-06 09:27 - David Hrbáč

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues permissions	Estimated time:	0.00 hour
Target version:		Affected version:	2.3.2
Resolution:	Duplicate		
Description Hi, 'Add watchers' within the new issue reveals all the Redmine accounts, not only the project accounts. We consider it as a security issues and we had to remove the link from issue page. Version: We are using Redmine 2.3.2.stable Expected behavior: Redmine should list only the accounts available to the logged user. Thanks, David Hrbáč
