Add watching users to a ticket should switch "watch" link to "unwatch" if own user was added

Status: Closed | Start date: 
Priority: Normal | Due date: 
Assignee: Go MAEDA | % Done: 0%
Category: Issues | Estimated time: 0.00 hour
Target version: 5.0.0 | Affected version: 2.4.1
Resolution: Fixed

Description
- add users via the link to add watchers in the sidebar
- add the own user
- the link at the top of the issue still offers "watch" - should be "unwatch" now.
- same if you "unwatch" a ticket - your own username still is visible inside the list of "watching" users in the sidebar
