

Redmine - Patch #15819

Migrating from trac, mysql2-query is defect

2014-01-07 18:52 - Bernhard Wenzel

Status:	New	Start date:	
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	Importers	Estimated time:	0.00 hour
Target version:			
Description			
There is a mix up of "mysql" and "mysql2" in the script migrate_from_trac.rake so the migration is not possible, if you are using mysql
