

Redmine - Defect #15862

Issue doesn't create via email

2014-01-14 04:54 - Stamos Yang

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Email receiving	Estimated time:	0.00 hour
Target version:		Affected version:	1.2.1
Resolution:	Invalid		
Description			
Good Day,			
We made our redmine to create an issue when an email arrive on a certain email account.. mostly it will be created, but there's a few times it won't..			
Is there any fix about this? beside updating our redmine?			
Thanks
