- Status changed from New to Needs feedback

Try without plugin.

Test covers.

Hi, Toshi!

Thank you for your answer! Unfortunately I can't uninstall plugins. Deinstallation proceeds without any error but plugins still [available on the Administration page](#)

It seems that I have to reinstall Redmine from the beginning.

Regards,
Andrey Ivanov

+1
Admin>Settings>Email Notifications> CHECK Documents Added
Email people who are involved or watching.

Does not send email notifications upon new added documents.
