

Redmine - Feature #16024

Add role per project

2014-02-05 08:45 - Luis Serrano Aranda

Status:	New	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Permissions and roles	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description			
I think a good option (only for the administrator) would be to add the ability to say that each profile projects can be used
