Description			
<p>I created a customer role without time tracking permissions. I was hoping this would also disable viewing of start date, due date, estimated time and % done fields when creating or viewing issues under that role.</p> <p>Is it possible to achieve this ?</p> <p>If my customers are creating , editing and viewing issues they have created these fields should be dictated by the role permissions.</p> <p>Environment:</p> <p>Redmine version 2.4.2.stable</p> <p>Ruby version 1.9.3-p484 (2013-11-22) [x86_64-linux]</p> <p>Rails version 3.2.16</p> <p>Environment production</p> <p>Database adapter Mysql2</p> <p>SCM:</p> <p>Subversion 1.8.4</p> <p>Git 1.8.3</p> <p>Filesystem</p> <p>Redmine plugins:</p> <p>redmine_mylyn_connector 2.8.2.stable</p>
