Redmine - Defect #1612

redmine links of type class:id do not like to be before a period.

2008-07-09 19:36 - Paul Rivier

Status:	Closed		**Start date:**	2008-07-09
Priority:	Normal		**Due date:**

Target version:				
Resolution:	Fixed		**Affected version:**	

Description

Exemple : *please have a look in* source:trunk*.*
while "source:trunk" would work, "source:trunk." wont.

It is quiet common to put a link at the end of the sentence, therefore I think the regexp should exclude this dot when followed by a blanck or an end of line.

What do others think ?

Revision 1650 - 2008-07-10 15:36 - Jean-Philippe Lang

Fixed: trailing period should not be included in redmine links of type class:id (#1612).

History

I agree. Do you have a patch ?

#2 - 2008-07-10 15:16 - Paul Rivier

- File repo_links.patch added

- File repo_link.patch added

Here we go.
It turns path matching to non greedy variant, so the stop condition will work. The stop condition has been slightly changed as well. There are 2 or 3 test cases included also.

#3 - 2008-07-10 15:37 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Fixed

Fix committed in r1650 with a few additional tests (source file name containing a period).
