

Redmine - Defect #16131

RedmineUpgrade wiki page is out of date

2014-02-19 17:04 - James Byrne

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Documentation	Estimated time:	0.00 hour
Target version:		Affected version:	2.4.3
Resolution:			
Description			
<a href="#">RedmineUpgrade</a> is not up-to-date with the latest requirements that require the use of bundler to update application specific gem libraries before running the rake tasks and the need to use 'bundle exec rake ...' to actually run those tasks.			

History

#1 - 2014-02-20 00:25 - Toshi MARUYAMA
