

Redmine - Defect #16181

When moving issues to a new project, Target Version is lost.

2014-02-26 13:31 - Dotan Cohen

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues workflow	Estimated time:	0.00 hour
Target version:		Affected version:	2.3.0
Resolution:	Duplicate		
Description When moving issues to a new project, the configured relevant Target Versions from the old project should be copied to the new project. This is relevant when merging two formally-distinct projects.			
Related issues: Is duplicate of Redmine - Feature #5086: Add a warning to inform that target ... <div>New2010-03-15</div>			

History

#1 - 2014-02-26 13:53 - Wim DePreter

Could it be that your target version is not shared with the new project?
related to [#5086](#)?

#2 - 2014-02-26 15:14 - Dotan Cohen

Actully, this looks like a dupe of [#5086](#). Thank you for finding that issue, Wim!

Could an admin please mark this as a dupe? Thank you.

#3 - 2014-02-28 13:29 - Jean-Philippe Lang

- Is duplicate of Feature #5086: Add a warning to inform that target version is reset while moving an issue to another project added

#4 - 2014-02-28 13:29 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Duplicate
