| <b>Target version:</b>   |               |                        |           |
| <b>Resolution:</b>   |               |                        |           |
| <b>Description</b>   |               |                        |           |
| In <a href="http://www.redmine.org/news/89">http://www.redmine.org/news/89</a> we learned that Rails version 3.2.17 is required for Redmine 2.4.4. The <a href="#">RedmineInstall</a> page must be updated to reflect this |               |                        |           |

History
