History

#1 - 2014-03-07 11:51 - Felix Muster

Should add that the Test-System was 2.4.0
So I wanted to update 2.4.0 --> 2.5.0

#2 - 2014-03-11 07:38 - Jan Niggemann (redmine.org team member)

- Status changed from New to Closed
- Resolution set to Invalid

Hi Felix,

please continue this on the forums, the strings proxy:error and failed to make connection to backend: 127.0.0.1 indicates that it might not be redmine-related.
