### Description

A client of [Planio](https://www.plan.io) has created a repository with the identifier statistics and was unable to access that repository via the web UI. While investigating this issue, we discovered that the reserved words list for repository identifiers (source:/tags/2.5.1/app/models/repository.rb#L43) is incomplete (browse and others are missing) or wrong (stats should be statistics, show is double).

### Associated revisions

**Revision 13127 - 2014-05-02 10:09 - Jean-Philippe Lang**

Repository identifiers can be reserved words (#16564).

Patch by Felix Schäfer.

Merged r13127 (#16564).

### History

1. **2014-04-08 11:34 - Felix Schäfer**
   - File 16564.diff added

   The attached patch fixes this and has a list of reserved words as per rake routes | grep repository which should be complete. This doesn't handle possibly existing repos with those identifiers though.

2. **2014-04-08 18:56 - Jan from Planio www.plan.io**
   - Target version set to Candidate for next minor release

   - Category set to SCM
   - Status changed from New to Resolved
   - Assignee set to Jean-Philippe Lang
   - Target version changed from Candidate for next minor release to 2.5.2
   - Resolution set to Fixed

Committed in r13127, thanks.
Merged.
