

## Redmine - Defect #16623

### Incorrect task status on activity page

2014-04-10 19:36 - Gennady Grechin

<b>Status:</b>	Closed	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Activity view	<b>Estimated time:</b>	0.00 hour
<b>Target version:</b>		<b>Affected version:</b>	2.5.1
<b>Resolution:</b>	Duplicate		
<b>Description</b>			
<p>I create new task. If I open activity page I'll see corresponding record with status "New" (I'll name this record as "1" below)</p> <p>Ok, I change status of the task to "Opened". If I open activity page I'll see corresponding record with status "Opened" (record "2"). But record "1" has also status "Opened".</p> <p>Next changing status of task to "Resolved" will add new record to activity page with status "Resolved". Also, record "2" remain "Opened", but record "1" will be "Resolved".</p> <p>It seems the first record (of task creation) refers to the same variable with last status.</p> <p>P.S. Icons of the records are correct.</p>
