Redmine - Patch #1678

Include Estimated Time in issue filters

2008-07-24 12:19 - Artem Vasiliev

Status:	Closed		**Start date:**	2008-07-24
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:	0.8			

Description

We wanted to be able to see what issues are not estimated (and have it as saved query). For this I made 2 things:

- added Estimated Time to query's available filter columns list
- added "none" option for integer filter type. Actually it could be called 'numeric' as it works with floats fine.

Contributed by Texuna Technologies.

Associated revisions

Revision 1696 - 2008-07-26 11:05 - Jean-Philippe Lang

Adds estimated hours to issue filters (#1678).

History

#1 - 2008-07-26 11:05 - Jean-Philippe Lang

- Category set to Issues

- Status changed from New to Closed

- Target version set to 0.8

Committed in r1696.

I fixed the filter type (which was :date in your patch). I also added the "all" operator to be able to list all the issues that have an estimated time.

#2 - 2008-07-26 21:45 - Artem Vasiliev

Cool, thanks!
That was a funny typo with :date - even unit tests succeeded!)
