

Redmine - Defect #17144

space between last name and first name

2014-06-10 09:59 - Tseng Shu

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Accounts / authentication	Estimated time:	0.00 hour
Target version:		Affected version:	2.3.2
Resolution:	Duplicate		
Description Chinese name doesn't have space between lastname and firstname. Is it possible to adjust that when the name is displayed in Chinese characters? Please see attached screenshot. The ones I squared with pink lines, you can see there is space between last name and first name, which I don't want. By the way, Chinese names put last name before the first name.			
Related issues: Is duplicate of Redmine - Feature #13227: CJK (Chinese/Japanese/Korean) name ... Closed
