Is this really an issue considering the behaviour of Redmine concerning duplicate issues?

From the [FAQ](#):

Duplicates - Links issues so that closing one, will close the other (e.g. closing [#100](#) will close [#101](#))

#2 - 2008-08-11 14:07 - Diego Plentz

- Status changed from New to Resolved

Hum, I think that's enough Mischa.

#3 - 2008-12-08 16:23 - Mischa The Evil

- Status changed from Resolved to Closed

- Resolution set to Wont fix

No further action needed imho. Closed, but reopen if needed...
