Redmine - Defect #1728

Duplicate logtime entry at edit time

2008-08-01 04:38 - Carol Gagne

Status:	Closed		**Start date:**	2008-08-01
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Time tracking		**Estimated time:**	0.00 hour
Target version:	0.8			
Resolution:	Fixed		**Affected version:**	0.7.3

Description

In the parent project TimeLog Details view, Redmine create a duplicate logtime entry at edit time.

INFO

- Database: postgres (PostgreSQL) 8.1.11
- Ruby: ruby 1.8.6 (2007-09-24 patchlevel 111) [i386-mswin32], 2007-12-14 Release 26
- Rails: rails (2.0.2)
- Redmine: Version 0.7.1

BUG DESCRIPTION

In the parent project TimeLog Details view, Redmine create a duplicate logtime entry at edit time.

STEPS TO REPRODUCE:

1. Create a ParentProject
2. Create a ChildProject (subproject of ParentProject)
3. In the ChildProject, create an issue (let's say a task)
4. Create a logtime entry for the issue: ex.: filing bug report 0.5 hour.
5. From the ParentProject's TimeLog details view, edit step 4 issue's Hours field from 0.5 to 1.0 hour.

NOTES

- *Observe there are now two logtime entries, the original one with 0.5 hour and the duplicate one with 1 hour. For my part, I expect only on entry.*
- *If you do the same steps at the ChildProject's TimeLog details view; there is not duplicate*

Thank you

Associated revisions

Revision 1713 - 2008-08-03 11:27 - Jean-Philippe Lang

Fixed: logtime entry duplicated when edited from parent project (#1728).

History

#1 - 2008-08-03 11:25 - Jean-Philippe Lang

- Category set to Time tracking

- Status changed from New to Closed

- Target version set to 0.8

- Affected version (unused) set to 0.7.3

- Resolution set to Fixed

- Affected version set to 0.7.3

Thanks for this detailed bug report.
It's fixed in r1713.
