You shouldn't get this error. link_to_signin is defined in application helper. See application_helper.rb, line 35:
http://www.redmine.org/repositories/entry/redmine/trunk/app/helpers/application_helper.rb

If you have upgraded, make sure you have properly restarted the application.

#2 - 2008-01-03 15:53 - Nils Adermann

I saw it actually was in application_helper, but maybe I really forgot to restart it, I downgraded to [r1010](#) for now, probably will keep using the stable versions ;-)

#3 - 2008-01-03 15:54 - Nils Adermann

oh so you can close this as not a bug, I'd really guess it's my fault for not properly restarting.

OK
