Redmine - Feature #1748

Customized Status Color in Project Gantt

2008-08-05 05:45 - wing lee

Status:	New	**Start date:**	2008-08-05
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Gantt	**Estimated time:**	0.00 hour
Target version:			
Resolution:			

Description

The Gantt chart is very useful in our project management. Our engineer can change the the "Done" % to clearly reveal the task progressing.

However, only 2 colors, blue & red, are drawn on the Gantt chart. We need other color to show "Rejected" task without 0% done progress. Please provide this color-customized function in future releases.

Thanks.

I'll take a look at this soon. Maybe I could provide a patch for this.
