Category:		**Estimated time:**	0.00 hour
Target version:			
Resolution:		**Affected version:**	2.0.3

Description

To reproduce:

1. Go to a project
2. Click on a saved query
3. Click the edit link
4. Modify the query
5. Save

If the query applies to All Projects I am then shown the results of that query for all projects and not the project I was working on.
