Assignee:		% Done:	0%
Category:	UI	Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Fixed		
Description There is an UI issue in Redmine Roadmap page while viewing through 1024x768 resolutions screen. Please have a look over attached screenshot. Go to roadmap-> Click on version having much amount of issues-> On right side, select filter option category wise			

History

- #1 - 2024-10-22 21:10 - Holger Just
- Status changed from New to Closed
 - Resolution set to Fixed

This appears to have been fixed in the meantime. I can not reproduce the issue from the screenshot anymore.
