*** extconf.rb failed ***
Could not create Makefile due to some reason, probably lack of
necessary libraries and/or headers. Check the mkmf.log file for more
details. You may need configuration options.
```

## History

### #1 - 2014-08-06 01:44 - Toshi MARUYAMA

- Status changed from New to Closed
- Resolution set to Invalid

Please use forum.  
It is not related Redmine core.
