Redmine - Feature #17618

Upgrade net-ldap version to 0.12.0

2014-08-06 03:01 - Francois Conil

Status:	Closed		**Start date:**

Assignee:			**% Done:**	0%
Category:	LDAP		**Estimated time:**	0.00 hour
Target version:	3.2.0			
Resolution:	Fixed			

Description
The net-ldap gem is being updated again and is now at version 0.7.0
Our tests so far show no issues from either LDAP auth or accounts imports.
It's a minor change that can easily be done manually, but I assume it would be "nice to have" for future redmine versions.

As I can see, with net-ldap > 0.3.1 does not work login autocomplete (on user creation screen) for users with russian characters in the name. Redmine 3.1.0.
