Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Invalid		
Description My question is about Redmine 2.2.0 work flow. In the new issues screen one field is showing Estimated time(in hours). But i need to change it into Remaining effort (in days) is it possible to change? Also the the overall project spent time is showing in hours.But i need to change it into days. Is there any ways?
