Target version:				
Resolution:	Wont fix			

Description

Hello,
bcc required becasuse, The news entry cause huge list on the mail header and everyone sees each other's mail address.
bcc is not suitable on issue tracking for us.

Can we determine which module will use the BCC?

regards.

History

Cc is no longer used and other recipients are not listed in email headers in Redmine 4.0.0 or later. See #26791 for details.
