Redmine - Defect #17724

Time Entries Report: Reset links behave inconsistent

2014-08-22 10:04 - Kevin Neuenfeldt

Status:	Closed	**Start date:**

Category:	Time tracking	**Estimated time:**	0.00 hour
Target version:			
Resolution:	Duplicate	**Affected version:**	

Description

In time entries page on the report tab there are two reset links. One for the filters and one for the aggregation. Semantically it looks like the one reset link should reset only the filters and the other one only the aggregation. But in fact both of them reset both settings. For me this looks inconsistent.
