Redmine - Feature #17742

Assignee Summary

2014-08-26 05:42 - Dhana Ganesan

Status:	New	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:	Issues	**Estimated time:**	0.00 hour
Target version:			
Resolution:			

Description

Under each project there is a issue page where all the issues are listed. There is a summary option, where we have the summary of that individual project. My question is is there a way to display the summary list of all the assignee's in the whole of the Redmine? Say iam the administrator of Redmine and i want to know the summary of everyone involved in all the project, without going inside any project.

History

#1 - 2014-09-24 09:29 - Toshi MARUYAMA

- Tracker changed from Defect to Feature

- Category changed from Administration to Issues permissions

- Priority changed from High to Normal

#2 - 2014-09-24 09:29 - Toshi MARUYAMA

- Category changed from Issues permissions to Issues
