Redmine - Feature #1775

Time tracker and custom fields

2008-08-12 16:30 - Asbjørn Clemmensen

Status: Closed Start date: 2008-08-12

Priority: Normal Due date:

Assignee:

Category: Time tracking Estimated time: 0.00 hour

Target version: 0.8

Resolution: Duplicate

Description

Custom fields would allow one to flag time entries as "billed" or "paid", for instance, which makes it easier when preparing bills for customers.

- Status changed from New to Resolved

See #772. Imho this issue is an duplicate and since it's already implemented I guess this issue can be closed.

Please report if you have some other thing in mind which does not met the specs of the implementation in r1689...

#2 - 2008-08-12 18:28 - Jean-Philippe Lang

- Status changed from Resolved to Closed
- Target version set to 0.8
- Resolution set to Duplicate

Agreed.
