

Redmine - Defect #17800

Redmine redirection issue

2014-09-05 08:11 - vijay krishna

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Security	Estimated time:	0.00 hour
Target version:		Affected version:	2.5.1
Resolution:	Invalid		
Description When we try to apply filters for the issues under "Issues" tab in redmine, some security exception is throwing. we are using https. we just find out some primary cause is due to some special character "utf8=%E2%9C%93" is appending to the url when we apply filter from "issues" page. Can anyone help on this please?			

History

#1 - 2014-09-05 16:42 - Etienne Massip
