Target version:	2.6.0			
Resolution:	Fixed			

Description

I use the My Page Spent Time block to check that I have logged all hours for the previous day. It would be very useful if there was a link in this block that took you to /time_entries/new so that you can enter the details if you notice that some time is missing. Ideally it would return you to the My Page after you press save.

This would work much more smoothly if #17954 was also fixed.

Associated revisions

Revision 13423 - 2014-10-04 09:26 - Jean-Philippe Lang

Adds a link to /time_entries/new from My Page Spent Time block (#17955).
