Target version:			
Resolution:	Fixed		
Description			
Hi!			
Is there a way to control the modification permissions for the "Start" and "Due date" for Issues. In project management, we divide the work into various features, and the start and due dates for each feature is set apriori by the manager. It is not supposed to be modified by the developer. Redmine doesn't seem to be having this feature.			
Regards, Mohan.

This ticket could be closed too.

The request could be solved by using workflow with read only fields.

#2 - 2012-10-28 21:51 - Jean-Philippe Lang

- Status changed from New to Closed

- Resolution set to Fixed
