Redmine - Defect #18094

List custom filed with multiple values displayed as check boxes cannot be unchecked

2014-10-14 17:09 - Marius BĂLTEANU

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Custom fields		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	2.5.2

Description

Steps to reproduce:

1. Add new custom field for issues with the following attributes:
   Format: List
   Name: Test
   Description:
   Multiple values: Yes
   Possible values: One, Two, Three
   Default value:
   Link values to URL:
   Display: checkboxes

1. Enable the custom field on a tracker
2. Enable the custom field on a project
3. Add a new issue on the respective project and tracker
4. Check on option for Test field
5. Save
6. Edit issue
7. Uncheck all options for Test field
8. Save
9. Observe that the option is still checked

I observed in logs that when the request is made with no option checked, the custom field is not sent.

- Status changed from New to Needs feedback

Works for me, this was already reported and fixed in 2.5.2 release (see [#16798](#)).

#2 - 2014-10-14 17:45 - Jean-Philippe Lang

- Is duplicate of Defect #16798: Custom field - list type - checkboxes - unchecking all - does not save added

#3 - 2014-10-15 10:42 - Marius BĂLTEANU

Yes, works on 2.5.2. I tested on a environment that I thought that is 2.5.2, but was 2.5.1. Sorry, my bad.

Thanks, you can close this defect.
