

Redmine - Feature #1812

language drop down box

2008-08-27 02:14 - Sevdin Filiz

Status:	New	Start date:	2008-08-27
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	l18n	Estimated time:	0.00 hour
Target version:			
Resolution:			
Description Is possible add to header a language drop down menu? Because if use any non-en language, en users can't find register link, or can't fill registration form.			

History

#1 - 2008-08-27 08:53 - Eric Davis

- Target version deleted (0.7)

Unsetting target version, it should only be used when a request has been implemented by the developer.

#2 - 2012-01-04 17:43 - Etienne Massip

- Category set to l18n
