

## Redmine - Feature #18129

### Insert spent time when creating new issue

2014-10-18 17:14 - Luca Malatesta

<b>Status:</b> Closed	<b>Start date:</b>
<b>Priority:</b> Normal	<b>Due date:</b>
<b>Assignee:</b>	<b>% Done:</b> 0%
<b>Category:</b> Issues	<b>Estimated time:</b> 0.00 hour
<b>Target version:</b>	
<b>Resolution:</b> Duplicate	
<b>Description</b> For how we manage our projects, we often enter an issue after it has already been resolved. So it would be convenient to be able to open a new issue to enter the hours and close it with only one save. Now I have to open a problem, click create, reopen it to add the hours spent and save it.  So basically it would be convenient to create a closed issue with a single step  Can you help me?
