

Redmine - Feature #18212

The status of parent issue could be changed to closed before all of the sub issues' status are changed to closed

2014-10-28 03:30 - Haiyang He

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:			
Resolution:	Duplicate		
Description I have fixed this issue on my local redmine. Add the following code after the 73 line of app/models/issue.rb <code>validate :closed_before_sub_issues</code> Add the closed_before_sub_issues method: <pre>def closed_before_sub_issues closedIssueStatus = IssueStatus.find_by_is_closed true if closedIssueStatus && status_id == closedIssueStatus.id if descendants.any? { childIssue childIssue.status_id != closedIssueStatus.id} errors.add :status_id, :cant_close_before_sub_issues_closed end end end</pre> Add error message in the en.yml: cant_close_before_sub_issues_closed: can change the status to closed before the all the sub issue are not closed
