Redmine - Defect #18393

issue assigning does not work when users change issue "Category"

2014-11-20 04:53 - yu xiaohang

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:			**% Done:**	0%
Category:	Issues		**Estimated time:**	0.00 hour
Target version:				
Resolution:	Duplicate		**Affected version:**	2.6.0

Description

issue "Category" has a automatic assinging function you can choose a user who you want assigning an issue to, but this can only work when this issue is created at the first time,if you change to another "Category",this function will not work☐

my redmine version is v2.6.0 built by bitnami.com with no plugins

Is duplicate of Redmine - Feature #6889: Set assignee on category change	**New**	**2010-11-15**

History

#1 - 2014-11-20 05:45 - Mischa The Evil

- Is duplicate of Feature #6889: Set assignee on category change added

#2 - 2014-11-20 05:59 - Mischa The Evil

- Status changed from New to Closed

- Resolution set to Duplicate

This is currently the expected behavior. Closing as a duplicate of #6889.

From #6889#note-1:

> Jean-Philippe Lang wrote:
> Actually, the current behaviour is to set the assignee automatically on **issue creation** only, as requested in #382. This is also described in the guide.
