| Description The gantt charts cannot be updated automatically according to the changes of the issues. Environment: ruby 1.8.6 (2007-09-23 patchlevel 110) [i686-linux] Rails 2.0.2 Redmine 0.6.devel.105 Reproduce: 1. In a project, close an issue. 2. Go to the gantt chart view. 3. The chart is not updated to represent the change. (The issue still in the open status) Note: It work fine after the caching is disabled. | | | |

History

#1 - 2008-01-20 12:33 - Alex Aktion

Yes, have almost same problem here.

Added new milestone and moved some old tasks to new milestone and Gantt still show old situation and even don't show new milestone!

#2 - 2008-01-20 12:43 - Alex Aktion

Update: Its either deferred update or i just selected Apply button on right side of Gatt menu and its actual now

#3 - 2008-01-20 15:31 - Alex Aktion

Strange, Gantt view is different when i selecting Tracker or/and months to show. I've sent screenshots to admin.

#4 - 2008-02-16 19:28 - Jean-Philippe Lang

- Status changed from New to Closed
- Resolution set to Fixed

Fixed in [r1157](#).
