Redmine - Defect #186

Date format problem in custom fields

2008-01-15 08:52 - Dusan Holub

Status:	Closed	**Start date:**	
Priority:	Normal	**Due date:**	
Assignee:		**% Done:**	0%
Category:		**Estimated time:**	0.00 hour
Target version:			
Resolution:		**Affected version:**	

Description

Date displayed in custom field is in format MM/DD/YYYY, although date format setting is DD-MMM-YYYY. For build-in date fields is date format ok.

To see an example, please see attachment. Start and Due dates are in DD-MMM-YYYY, as set globally in RedMine, but custom field KickOff is MM/DD/YYYY.

History

#1 - 2008-01-15 13:30 - Jean-Philippe Lang

Fixed in r1066.
