Redmine - Defect #19

Edit issue doesn't have blank category

2007-03-19 07:52 - Jeffrey Jones

Status:	Closed		**Start date:**

Category:			**Estimated time:**	0.00 hour
Target version:				
Resolution:			**Affected version:**	

Description

If you edit an issue then the Category field no longer has a blank option, for consistency (and usability in this case)
I think that the blank option should be included as is the case when creating a new issue
