

Redmine - Defect #19228

PDF export from the standard issue list ends in 502 Proxy error

2015-03-01 14:37 - Anonymous

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	PDF export	Estimated time:	0.00 hour
Target version:		Affected version:	2.6.0
Resolution:			

Description

Dear all,

I am using

Environment:

Redmine version	2.6.0.stable
Ruby version	2.0.0-p594 (2014-10-27) [i386-mingw32]
Rails version	3.2.19
Environment	production
Database adapter	Mysql2

SCM:

Subversion	1.8.8
Git	1.9.0
Filesystem	

Redmine plugins:

clipboard_image_paste	1.9
redmine_ckeditor	1.0.16
redmine_landing_page	0.1.0
redmine_watcher_groups	0.0.2

The pdf export under Issues (without any changes) results in a "502 Proxy Error" and the I have to restart all services so Redmine is working again.

!pdf export error.jpg!

If I first use some filter possibilities the export works fine.

Any suggestions how to fix this problem?

Do you need more information to help?
