Resolution:			

Description

This is rather suggestion than bug but

1. Why not automatically assign Fixed version default to closest Version
or Selecting Fixed version from list automatically assign Due date ?

2. Is it possible to move Fixed version list field to header, closer to Due date - quite often i forgetting to fill
it with proper value (because nothing assigned by default) and used to edit issue again which causes new unnecessary
email to everybody.

History

#1 - 2008-01-20 13:36 - Thomas Löber

A third suggestion: If a project doesn't define a version there
shouldn't be a selection list at all.

#2 - 2008-01-23 15:01 - Jean-Philippe Lang

'Fixed version' is now with the other fields below the description
textarea and hidden if no version is defined ([r1097](#)).

1. is a feature.
