

Redmine - Defect #19430

Create new issue/task/feature/user..., it will occurrence 502 Proxy Error

2015-03-20 07:34 - Shi Wang

Status:	Closed	Start date:	
Priority:	Urgent	Due date:	
Assignee:		% Done:	0%
Category:		Estimated time:	0.00 hour
Target version:		Affected version:	
Resolution:	Invalid		
Description my step is: 1. i install redmine --> create new project (OK) --> create issue(e.g.: issue_01)/task/user(user_01) (it will appear above error message) --> i refresh the web --> issue_01 and user_01 have existed. and i cannot found those log file, such as: mongrel.log please help me, thank you! Error Message: Proxy Error The proxy server received an invalid response from an upstream server. The proxy server could not handle the request POST /redmine/projects/test_01/issues. Reason: Error reading from remote server
