Redmine - Defect #19482

Custom field (long text format) displayed even if empty

2015-03-25 15:09 - Oana VIGY

Status:	Closed		**Start date:**	
Priority:	Normal		**Due date:**	
Assignee:	Jean-Philippe Lang		**% Done:**	0%
Category:	Custom fields		**Estimated time:**	0.00 hour
Target version:	3.0.2			
Resolution:	Fixed		**Affected version:**	3.0.0

Description
Dear All, custom fields in "long text" format are displayed even if no value is set (reproduced for "project" and "version" custom fields). Problem faced in Redmine 3.0.0 ; not in the last version 2.3.2 used before the test-upgrade to 3.0.0. Old "long text" custom fields (created in previous versions) are now displayed as empty in version 3.0.0 as well as new custom fields. Best regards, Oana

I forgot those things...

```
Environment:
  Redmine version            3.0.0.stable
  Ruby version               1.9.3-p194 (2012-04-20) [x86_64-linux]
  Rails version              4.2.0
  Environment                production
  Database adapter           Mysql2
```
