

Redmine - Defect #19487

Cannot select from all issue states when copying issue

2015-03-25 21:33 - Maxim Krušina

Status:	Closed	Start date:	
Priority:	Normal	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	3.0.0
Resolution:			
Description			
When copyiing an issue, I cannot select from all appropriate states like when creating new ticket in the same project (tracker). For some reason, there is pre-selected state from original ticket, but I can change it only to default state of actual tracker
