Redmine - Defect #1971

Bad CSS syntax trashes issue/ticket

2008-09-29 18:15 - Ben Blanco

Status:	Closed	**Start date:**	2008-09-29
Priority:	Normal	**Due date:**

Category:		**Estimated time:**	0.00 hour
Target version:	0.8		
Resolution:	Fixed	**Affected version:**	

Description
Mistyping an CSS syntax in an Image call trashes a ticket.
The closing parenthesis apparently crashes the issue when attempting to reopen it.
cf. #1968, and #1969 where the above syntax was used - (didn't plan on creating this twice, sorry).

Associated revisions

Revision 1924 - 2008-10-04 19:38 - Jean-Philippe Lang
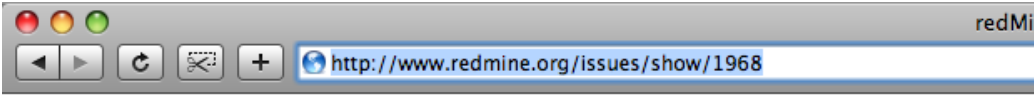

Escape image filename regexp (#1971).

History

#1 - 2008-09-29 18:15 - Ben Blanco

```
<pre>!{height:150px)pic.png!</pre>
```

#2 - 2008-09-29 18:23 - Ben Blanco

- File Picture_3.png added

#3 - 2008-10-04 19:33 - Jean-Philippe Lang

- Status changed from New to Closed

- Target version set to 0.8

- Resolution set to Fixed

Fixed in r1924 (not applied here yet).
Thanks for pointing out this problem.
