Target version:	2.6.6			
Resolution:	Fixed		**Affected version:**	

Description

When I'm bulk editing issues, doesn't matter if I checked "copy subtasks" checkbox, they will be copied anyway. I guess it's because

<%= hidden_field_tag 'copy_subtasks', '0' >
<p>
<label for='copy_subtasks'><= l(:label_copy_subtasks) ></label>
<= check_box_tag 'copy_subtasks', '1', false %>
</p>

Form passes copy_subtasks parameter anyway. And in controller there's "present" check on copy_subtasks param. But both '0' and '1' value are present.

Associated revisions

Revision 14268 - 2015-05-23 09:08 - Jean-Philippe Lang

Fixed that copying issues always copy subtasks and attachments even if option is unchecked (#11787).

Revision 14277 - 2015-05-30 10:06 - Jean-Philippe Lang

Merged r14268 (#19815).

Revision 14278 - 2015-05-30 10:09 - Jean-Philippe Lang

Merged r14268 (#19815).
