

Redmine - Defect #1999

[Start/Due Date] Date Picker

2008-10-07 02:50 - German Otero

Status:	Closed	Start date:	2008-10-06
Priority:	High	Due date:	
Assignee:		% Done:	0%
Category:	Issues	Estimated time:	0.00 hour
Target version:		Affected version:	0.7.3
Resolution:	Cant reproduce		
Description			
Some times when you edit an Issue, the date picker for start or due date is not well formatted. The dates are in wrong order, even when you create a Feature, even now, i'm creating this one, and the date pickers that are down here, are wrong. Today is Monday 6 October, and in the date picker is marked ad Tuesday 6.

Can't reproduce the bug on a FF3/XP SP2. Could you precise your OS, and browser version, please?

#2 - 2008-10-07 15:09 - German Otero

Yes, sorry,
Os: Ubuntu linux 8.04
Browser: Firefox 3.0.3

#3 - 2008-10-07 20:42 - German Otero

The problem is when you have a date filled in the input.. if you clean the field, then the date picker will be fine

I am not able to reproduce the described behavior on [source/trunk@7885](#). Is someone else (still) able to reproduce this issue on a current Redmine trunk?

Come on men, are you fucking joking?
3 fucking years pass since i wrote my last comment, and you come to me with I'm not abe to reproduce it?????.. At least give me a "sorry", or just close the issue..
This looks like a joke.

It looks like that the defect go away (i can't reproduce it with the last 1.4 version). Could anyone close the ticket?

#7 - 2012-10-04 19:29 - Etienne Massip

- Status changed from New to Closed
- Resolution set to Cant reproduce
