Yes, please, accept this patch. I'm using Active Directory integration, and the lastname has more than one name, so finding a user is painfull. This would help alot.

#3 - 2008-11-10 21:19 - Mario Moreira

The same should happen when editing an issue on the "Assigned to" field.

#4 - 2008-11-11 13:59 - Jean-Philippe Lang

- *Category changed from Projects to UI*

- *Status changed from Resolved to Closed*

- *Target version set to 0.8*

Fixed at model level in r2010.
New member and Assigned to lists are now alphabetically sorted.
