Description

- Create a Task "Parent task 1", and log some time (5 hours)
- Create a subtask of "Parent task 1" (let's call it "subtask 1.1"), and log some time (7 hours)

Here is what we get on their respective page (which is correct):

Parent task 1:

| | | | |
|------------------------|-----------------|--------------------|---------------------------------|
| Status: | Activity TBC_0% | Start date: | |
| Priority: | Normal | Due date: | |
| Assignee: | - | % Done: | <input type="text" value="0%"/> |
| Category: | - | Spent time: | 12.00 hours |
| Target version: | - | | |

Subtasks Add

| | | |
|--------------------------------|-----------------|-------------------------------|
| Deliverable #1666: Subtask 1.1 | Activity TBC_0% | <input type="text" value=""/> |
|--------------------------------|-----------------|-------------------------------|

subtask 1.1:

| | | | |
|------------------------|-----------------|--------------------|---------------------------------|
| Status: | Activity TBC_0% | Start date: | |
| Priority: | Normal | Due date: | |
| Assignee: | - | % Done: | <input type="text" value="0%"/> |
| Category: | - | Spent time: | 7.00 hours |
| Target version: | - | | |

Subtasks Add

And what we see on the dashboard:

| ✓ | # | Subject | Tracker | Assignee | Estimated time | Spent time |
|--------------------------|------|---------------|-------------|----------|----------------|------------|
| <input type="checkbox"/> | 1665 | Parent task 1 | Deliverable | | | 5.00 |
| <input type="checkbox"/> | 1666 | ▶ Subtask 1.1 | Deliverable | | | 7.00 |

Expected: Spent time on parent task 1.1 should be 12 hours

Update: Environment

Environment:

```
Redmine version      3.0.1.stable.14155
Ruby version         2.2.1-p85 (2015-02-26) [x86_64-linux]
Rails version        4.2.1
Environment          production
Database adapter     Mysql2
```

SCM:

```
Subversion           1.8.8
Git                  1.9.1
Filesystem
```

#2 - 2015-07-05 13:36 - Jean-Philippe Lang

- Category set to Time tracking
- Status changed from New to Closed
- Resolution set to Duplicate

The issue list only shows the hours logged against the issue, not the total spent time including subtasks.
Same as [#12610](#), feature request: [#11253](#).

#3 - 2015-07-05 13:37 - Jean-Philippe Lang

Note that 3.1 will display: "5h00 (Total: 12h00)" on the parent task view.
